### Please note:

1. Refrain from buying colourful versions of Pritt and erasers. These tend to leave marks in the books.
2. Buy a sturdy ruler that indicates mm and cm. Do not buy bendable rulers as it is difficult to measure accurately with them.
3. Do not buy pencil bags or cases that are very big, as they take up too much space on the desks.
4. This stationery does not always last the entire year and will need to be topped up at the end of each term.
5. Please ensure that all of the learners' stationery is clearly labelled.
6. Please bring all the books and covers on the first day of school. We will cover the books in class. Please **DO NOT** decorate or cover any books at home.
